Relevant Experience

Community Development Director, November 2023 - Present

Village of Saranac Lake, Saranac Lake, New York

- Applies for and administers grants for municipal projects. Over \$1M in grant awards received in 2024.
- Serves as Director for Village Development Board (Planning & Zoning). Receives and reviews applications and creates materials for monthly Development Board meetings. Answers all resident questions in regard to Village zoning and planning laws.
- Serves as Village liaison to Advisory Boards.
- Represents the Village as Project Manager for municipal projects.
- Serves as Village representative with various community organizations such as Chamber of Commerce, civil groups and other local government agencies.
- Prioritizes community events to promote increased business throughout the Village.
- Works to increase housing and employment opportunities for existing and new Village residents.

Director Business Planning and Administration, November 2022 – November 2023

Johns Hopkins Health System, Baltimore, Maryland

- Supports the Sr. VP in achieving target goals and priorities by serving as a strategic partner and implementation leader.
- Provides operational leadership to the Sr. VP to accomplish departmental goals, including prioritization of activities, workflow, communications, and processes.
- Works with the Sr. VP to set strategic priorities to provide insight on identifying areas where to direct energy and focus of the Facilities leadership team for key meetings that the Sr. VP leads, manages the meeting agenda, supporting the facilitation of discussion during the meeting itself, and driving next steps.
- Represents the Sr. VP in his/her absence, when appropriate/necessary.
- Directs and manages projects and initiatives from idea through implementation.
- Supports special initiatives including the preparation of materials for, and presentation to, internal and external stakeholders.
- Proactively manages changes in project scope, identifies potential risks and devises mitigation and contingency plans.
- Develops and delivers proposals, requirements documentation, status reports and presentations.

Sr. Project Administrator, July 2021 – November 2022

Johns Hopkins Health System, Baltimore, Maryland

- Prepares Trustee materials including the JHM Annual Capital Budget and materials for the JHM Board of Trustees Facilities Real Estate Development Committee, which oversees the JHM capital program, as well as the Capital Subcommittee, the JHU Trustee subcommittee (to the Finance Committee) which oversees the School of Medicine's capital program.
- Directs and manages projects that support Facilities communication with the six JHHS hospitals, the SOM, and the clinical and service departments in these organizations.
- Composes correspondence, prepares point papers and presentations for the Sr. VP and/or Facilities Department executive staff.
- Manages the deadlines/offices/calendars for the JHM Sr. VP Facilities, JHHS Sr. Director Construction, JHHS Sr. Director Architecture + Planning and JHHS Sr. Director Capital Budgeting and Accounting. Continually collaborates with executive team members to determine and prioritize work efforts.

Project Administrator, November 2017 – July 2021

Johns Hopkins Health System, Baltimore, Maryland

- Creates long and short-term plans, including setting targets for milestones and adhering to deadlines.
- Coordinates programs and special projects both independently and cooperatively with staff of JHM/JHHS/JHUSOM executives.
- From current knowledge of JHM and Facilities Department Sr. Directors' priorities, continually assessed status and challenges and developed plans of action for changes and outcomes in concert with the Sr. Directors.
- Manages the deadlines/offices/calendars for the JHM Sr. VP Facilities and JHHS Facilities Department Sr. Directors (Sr. Director Construction, Sr. Director Architecture + Planning and Sr. Director Capital Budgeting and Accounting).
- Plans, coordinates and keeps contents of Sr.VP and Sr. Directors' meetings focused.

Project Manager, July 2013 – October 2016

West Rac Contracting Corp., Hauppauge, New York

- Monitor budgets, change orders, daily activities, and over-all schedule progress for ground up and renovation commercial construction projects ranging from \$250K-\$3M.
- Research new subcontractors, compile bids, and level scope for new projects in New York City, and various states around the country.
- Create subcontractor agreements, process all AIA billing, and complete closeout documents for ongoing projects.
- Attend weekly owner/contractor & subcontractor meetings to review progress and schedule.
- Verify, log, and update insurance documents for all subcontractors.
- Input project budgets, change orders, and schedule information into Prolog information system.

Information Specialist, October 2012 – July 2013

Fusion Academy, New York, New York

- Responsible for all billing, revenue recognition, and payroll for Fusion Academy Manhattan and Woodbury.
- Conduct weekly and monthly audits of staff and student online schedules.
- Receive and process all student transcripts and course proof of completion documents.

New School Opening Project Administrator, January 2011 – July 2013

American Education Group (Fusion Academy), Solana Beach, California

- Developed and systematized the procurement and installation process for the first 10 replications of Fusion Academy campuses including all furniture, IT, and school supplies.
- Responsible for the physical installation for 10 new Fusion Academy campuses.

- Provided onsite operational support for new Fusion Academy campuses.
- Directed recruitment for all administrative roles for 4 Fusion campuses in San Francisco.
- Tracked and managed new school opening budgets of \$350,000 for each campus.
- Responsible for all ongoing facility projects across all campuses.

Director of Communications and Outreach, August 2009 – January 2011

Fusion Academy, Solana Beach, California

- Attend sales appointments with local professionals to discuss community needs and school objectives.
- Host on and off-site school events to promote interest in school.
- Developed metric, objectives, and reporting standards for DCO position.
