Dear Mr. Murphy,

Pursuant to your request, I am happy to submit a proposal for an individual residential vacant land real estate appraisal of the property identified above. The appraisal shall be prepared for the Village of Saranac Lake (the "Client"). This real estate appraisal will be reported in a Summary format, on a General Purpose Vacant Land Appraisal form.

The purpose and intended use of the Appraisal is to render an opinion of market value of the subject property, as unimproved, for the Client's corporate planning purposes. The valuation's effective date will be made as of the date of my physical inspection (current value). The appraisal will report the market value of the Real Estate ("Market Value" defined as published by the FDIC known as 'part 323') in an unencumbered Fee Simple ownership. The Appraisal will be completed in conformance with the "Uniform Standards of Professional Appraisal Practice". Any other use or user of the appraisal has not been identified, and is not authorized by the Appraiser. Delivery will be made with one "Hard Copy" sent by regular US mail or hand delivered to your address listed above, as well as a secured .PDF digital (electronic) delivery by email to your address at comdev@saranacknyny.gov.

If these terms are acceptable, please acknowledge with your signature below and return this engagement letter to me by regular USPS mail within 15 days, along with a copy of the last recorded property Deed and a copy of the property's land survey which can positively identify the parcel being valued.
