Hi Katrina,

I'm going to upload all your forms today and approve from my end. In the next week you should get an email to go and approve the Preview Contract and at that time will be able to access the Work Plan. In case my directions for updating the Work Plan are not clear, here is some guidance from SFS GM there is an 8 minute video that seems good, and easier than the directions I suggested:

1, Go to SFS.ny.gov and log in. On the Home screen go to Coach Training. In the Topic box type SFS Training for Vendors then hit Search and go to #73 Editing Work Plan for Grant Contract (not the one for Bids).

Hi Katrina,

See if you can open and save this link the pdf is too large a file to send you it kept coming back. Michelle

Thanks,

Michelle

Hi Katrina,

Good to speak to you this morning.

1. Disability I forwarded the email to the insurance people and asked for guidance. Won't be long.
2. Signing the contract attached are the current roles you have in SFS GM. The last SG contract was signed by Gregory Scott but I don't see him on the list. Whomever is the most senior person or an elected official should sign please as this contract will go to OSC. The User id is clear and then then can just update their password when logging in to sfs.ny.gov. We will send exact instructions when the contract is ready for approval.
3. Here is a copy of the application with the directions for you to go to the work plan let me know if you have any questions.

Thanks,

Michelle

Hey Katrina, this is the response we received from our workers comp agent. I would not worry about the signature. If they have any further questions, they can reach out to me on it. Thanks.

Franklin County has to provide the DB-120.1 for several of our departments and we never need to obtain the WC Board signatures. Everyone always accepts the form without that signature.

That information would need to come directly from the Workers Comp board as Franklin County cannot attest to the Village of Saranac Lake complying with NYS Disability and Paid FMLA.
