

PTAB Meeting Minutes: January 26, 2026

Present (virtually via Webex): Colleen O'Neill, Mary Thill, Bayle Reichert (Village Staff), Doug Haney, Alli Brunner, Peter Waladt, Steve Langdon, Julianne Stemp, Jimmy Cunningham

Meeting called to order by Chair at 6:04 p.m.

1. **Approve November Meeting Minutes** (*no quorum at December meeting so no minutes taken*): Motion by Jimmy, Second by Steve.
2. **New Business:**
 - Welcome and Introductions to New Members Peter Waladt and Alli Brunner.
 - Reschedule February PTAB meeting due to Annual Advisory Board Summit. Colleen will send a Doodle poll to check everyone's availability for another date. If you haven't sent RSVP to Bayle's email for the Summit, please do that ASAP. Photos for our 2025 accomplishments are still needed to be included in the annual report.
3. **Unfinished Business:**
 - The following goals and accomplishments will be submitted to the Community Development office, and the noted PTAB members have agreed to contribute to them.

2026 Goals:

1. Rail Trail User Enhancements: Colleen, Doug, Pete
2. Park Enhancements: Baldwin (Stacey), Ken Garwood POW, Riverside (Colleen), Riverfront (Steve), William Wallace/Lake Colby (Julianne, Mary)
3. Increase Park Usage: Ward-Plumadore, Lake Colby Accessibility Equipment: All
4. Boothe River Park Planning: Colleen, Pete
5. Downtown Covered Bike Shelters: Julianne
6. Lake Colby Beach Enhancements: Mary
7. Accessibility Planning: Mary
8. Church/Pine Corridor Safety Enhancements: Doug, Stacey
9. Comprehensive Recreation Plan for Mt. Pisgah: Alli, Pete
10. Recycling Program Advocacy: All
11. Park Maintenance Program (Annually in Spring): All

2025 Accomplishments:

1. Capital Improvement Plan Development
2. Mt. Pisgah Snowmaking Equipment Grants Submitted
3. Resurgence of Community Rides

4. Sidewalk Assessment Study
5. Riverwalk Signage Plan
6. Church/Pine Corridor Safety Enhancements Mapping Survey
7. Rail Trail Crossing Enhancements
8. Comprehensive Recreation Plan for Mt. Pisgah
9. Downtown Bike Racks
10. Park Enhancements: Baldwin, Berkeley Green, Ken Garwood POW, Ward-Plumadore, William Wallace/Lake Colby
11. New Outdoor Fire Chimney at Mt. Pisgah
12. Park Maintenance Program (Annually in Spring)
13. Lake Colby Beach Accessibility Enhancements
14. Recycling Program Advocacy

- **Initiative and Park Updates**

- Covered bike shelter grant SLLDC received from county tourism office. Partnership with Franklin County Economic Development Corp and Village. Have about \$27,000 to spend and considering asking local metal artist if he could create something instead of catalog styles for less and be more in a unique and SL style. The bike shelter is part of the downtown streetscape plan. Possible locations mentioned include Main Street lot, Dorsey, and Ward-Plumadore. Ask bike shops their opinion. Doug mentioned that bicyclists prefer to lock their bike somewhere easily viewable, so not hidden in the back of parking lots. Julianne will connect with former PTAB member Charlotte Lomino to get her thoughts on her past work on it.
- Boothe River: Peter will work with Scott McKim on funding ideas and meet to discuss park on Friday; Steve and Colleen to join also. Per Katrina, Bachana directed that NBRC grant will be focused on Pisgah with a lower scope, and not submitted for Boothe as planned previously. NYSWIMS grant was not accepted. Purchasing stream gauging equipment is still in process. We're waiting on DOS contract extension approval. FERC relicensing won't be approved until 2027.
- Garwood POW: The village was not successful in two grant applications. The upcoming NYS Municipal Parks & Recreation-CFA grant application will be for Pisgah. Going forward Garwood plans will be advanced in smaller parts rather than as a whole.
- Mt. Pisgah: Alli and Peter will work on Pisgah Comprehensive Plan. Doug and Julianne also involved through BETA. Colleen will connect Alli and Peter with Ezra Schwartzberg to get up to speed on what's going on as he used to champion this effort on PTAB.
- Riverside: MJ consultants to design concept plan. Need 1 representative from each Advisory Board to join subcommittee; PTAB's representative is Colleen.
- Rail Trail: No other progress besides mapping survey. Doug is on ARTA board as of this month and will bring updates to PTAB.
- William-Wallace/Lake Colby: Bayle reported the village received a grant for reconstructing Lake Colby Beach parking lot upgrade to fix drainage/flow should springboard other grants, demonstrate commitment to improving that area. Mary to help get the word out re: beach accessibility amenities to local orgs and other public outreach.

4. **Adjourn** at 7:14 p.m. Motion by Jimmy, Second by Steve.
