Present: Colleen O'Neill, Stacy Allott, Steve Langdon, Doug Haney, Mary Thill, Ashley Garwood, Jimmy Cunningham, Julianne Stemp, Bayle Reichert (Village Employee), Peter Waldt (Public Attendee)

1. Approve December Meeting Minutes: Motion by Steve, Second by Stacey
2. Introductions of all PTAB Members and New Members: Doug and Julianne
3. Elections for Chair, Co-Chair, and Secretary:
 - a. Chair: Colleen O'Neill
 - b. Co-Chair: Ezra Schwartzberg
 - c. Secretary: Steve Langdon
4. Updates:
 - a. Mt. Pisgah: Comprehensive Management Plan is needed including biking, skiing, other recreation activities, snowmaking, etc. Snow making is great this year.
 - b. Boothe River Park: Colleen is on the planning committee and the Friends of Boothe River Park group is working on finalizing the fundraising strategy. Katrina decided to meet only as significant updates occur vs. regular meetings; next meeting is TBD.
 - c. Ward Plumadore:
 - i. Mountain Scape: Using 2024 and 2025 Community Enhancement Fund budget for the mountain scape to improve the concrete aesthetics. Unsure of when it will happen, Colleen to follow up with Katrina and then give the chosen artist an update also.
 - ii. Fire Tower: In conceptual/information gathering stage with APA. Have other locations been considered? Share the Village Park Vision Plan after meeting to see original design. Community feedback should be gathered early on in process; it was gathered during original DRI concept years ago, but not yet for the most recent design. Play ADK will be installing a fire tower also.
 - d. Other:
 - i. Garwood Park: Designs are ready. Public comment session is in the Cantwell Room of the SL Library on January 22 from 5 – 7 p.m.
 - ii. Berkeley Green: Old Community Bike Ride sign still up, take it down but revive the program in another location. Julianna is interested in reviving.
5. Discussion of 2025 Priorities: Bayle will compile our priorities for the Annual Report then send to us to review.
 - a. Garwood Park: Ashley is working closely with improvements proposed, and we also need to inventory other children's park needs.
 - b. Community Bike Ride: Julianne to revive the program.

- c. Mt. Pisgah: Create a Comprehensive Recreation Development Plan; work closely with BETA on their current efforts, FOMP and SLICK, and Village snowmaking, landscaping and waterline plans, bike trail vs. ski trail designation needed for safety, LEAF grant and talk to Billy Jones for bigger funding asks re: snowmaking infrastructure. Ezra, Doug and Steve to be involved.
 - d. Rail Trail: Safety, crossings and connections.
 - e. DRI Projects: Baldwin Park and Boothe River Park
 - f. Ward Plumadore Park: Continued improvements.
 - g. Riverside Park: Band shell replacement is being discussed by multiple Advisory Boards.
 - h. Lake Colby Beach: Improvements to building and access.
 - i. Park Maintenance: PTAB members create a punch list of maintenance issues, consider adding an inventory of park equipment. Doug Haney would like to see recycling containers in parks.
 - j. Sidewalk Assessment: Stacey and Ezra to compile data then report to Village with findings and recommendations.
6. Old Business:
- a. Sidewalk Assessment not complete yet. Ezra to update.
 - b. Charlotte was planning to present a draft DOT letter on safety recommendations for Fowler's Crossing at Village Board Meeting, but it was removed from the agenda. Colleen will follow up. Traffic light at the bottom of Will Roger's Drive should still be considered to help control traffic.
7. Adjourn at 7:30 p.m.: Motion by Jimmy, Second by Stacey
