

PTAB Meeting Minutes: November 19, 2025

Present: Colleen O'Neill, Julianne Stemp, Ezra Schwartzberg, Mary Thill, Jimmy Cunningham, Doug Haney, Steve Langdon, Aurora White (Village Trustee), Bayle Reichert (Village Staff), Katrina Glynn (Village Staff), Jerry Michael (Public)

Meeting called to order by Chair at 6:00 p.m.

1. Approve October Meeting Minutes: Motion by Mary Thill, Second by Julianne Stemp

2. New Business:

- PTAB Officer Terms: Jimmy Cunningham elected for Vice Chair and Mary Thill elected for Secretary
- PTAB Member Letters of Interest for 2 vacancies (Ezra and Ashley): Peter Waldt and Alli Brunner elected as new members beginning 12/31/25. Katrina to submit resolution to the Village Board.

3. Unfinished Business:

- **Initiative and Park Updates**
 - **Church/Pine Corridor:** DAB initiative partnering with PTAB; Doug and Stacey volunteered for subcommittee. Geomatics to conduct mapping survey of the corridor in early December. PTAB will split cost of mapping survey with DAB which is \$1500. Jerry Michael thanked PTAB and mentioned survey will be used to make concept drawings of options; i.e., sidewalks, parking, traffic lanes. There will be PTAB and DAB discussion of possible options and tradeoffs, safety, impacts on nearby neighborhoods, before issuing a public opinion questionnaire/survey, including snowmobiler orgs. DAB met with ARTA and DEC re: cedar trees near Triangle Park that are affecting crossing visibility.
 - **Ward Plumadore:** Discussion of what PTAB or Village might do to encourage use of the upper area. Park Vision Plan specifies "art installation". Colleen wondered about seeking public input to find out what would encourage them to use the park as it is a challenging location and not used. Katrina advised there are no current dedicated funds (not a CEF project). Holiday decorations this season will include three small trees. PTAB supports a simple inexpensive temporary solution such as tables, chairs, umbrella, until a longer-range plan is identified.
 - **Boothe:** Some recent grants came through; \$32,000 grant via Lake Champlain Basin Program, \$10,000 grant via Franklin County Experiential Tourism, stream gauging station via Cloudsplitter. Friends group is strategizing for crowdfunding.
 - **Mt. Pisgah:** Second firepit for Mt. Pisgah was installed. Ezra said he is again leading the volunteer snowmakers; two introductory trainings in the next week or two as soon as John Dixon's crew gets the guns up and running. Wondering about whether tubing lift will be replaced.
 - **Rail Trail:** Mayor and Katrina had a meeting with ARTA, DEC and ROOST to discuss signage.
 - **Recycling:** Per Bachana, DAB already has initiative planned for recycling in Downtown. Katrina reported a recycling strategy will likely be folded into Downtown Streetscape Program.

- **Sidewalk Assessment:** Report being finalized with Northwoods Engineering.

4. Discussion:

- Katrina reported that the Arts and Culture Advisory Board (ACAB) wants to put 'celebrate' banners in the large parks banner holders when they are not being used for anything else. Katrina sought PTAB opinion, which was positive.
- ACAB is considering putting QR codes around village artworks linking to a Village webpage with information about the artists.
- Failing Ash trees in parks along Lake Flower – John Dixon will trim deadwood and leave live trees. PTAB again discussed need to gradually replace trees. Grant opportunities will be shared.

5. Adjourn at 7:18 p.m. Motion by Steve Langdon, Second by Doug Haney
